Cam I am still waiting for the final distribution of funds in the 4516-1000 FF subsidiary. Once I have the \$ I will be able to give you most of the funds you need.

Leo,

Attached is my estimate for the Amherst Lab's budget for the rest of the year. As noted on the estimate, I'm not sure if our Micromedex subscription comes out of our lab budget (PIC 5331). If you would like me to elaborate further or you need more information, please let me know.

Thanks, Cam
